走進英語世界

Stepping into the world of English

Comprehensive English Enhancement —
Creating a Vibrant Language Learning Experience
全方位提升英語能力 打造語言學習新體驗

Our school is committed to creating an English-rich learning environment. Through a wide range of activities, students are encouraged to use English in authentic contexts, enhancing both their language skills and confidence. From debate and drama to guided tours, interactive games, and cross-curricular challenges, students learn through participation and grow through performance, showcasing the vibrancy and success of English learning at our school.

本校一直致力營造豐富的英語學習環境，透過多元化活動，讓學生在真實情境中運用英語，提升語言能力與自信心。無論是辯論、戲劇、導賞、互動遊戲，還是跨學科挑戰，學生都能在參與中學習，在表現中成長，展現英語學習的活力與成果。

English Debate Team 英語辯論隊

Our English Debate Team has been established for 7 years. Over the past few years, we have been through to the finals in different divisions in the competitions organized by UNESCO Hong Kong Association. Last year, our S.1 team won the championship of the F.1 CMI Division. 1A Emily Yan was even awarded the Best Speaker of the Division. We hope to expand our team and continue to bring home good news.

本校英語辯論隊成立至今七年，致力培養學生的語言表達能力與批判思維。過去數年，隊伍多次晉級香港聯合國教科文組織協會舉辦的英文辯論比賽決賽，成績斐然。去年，中一隊伍勇奪中一中文組冠軍，當中1A班嚴姪文同學更獲「最佳辯論員」殊榮。英語辯論隊正積極擴展規模，繼續爭取佳績，為校爭光。

English Drama 英語話劇

13 S.1 and S.2 students started their journey of English drama in February. After hours of training and rehearsals, in July, they finally performed in front of an audience of over a hundred people at the Sai Wan Ho Civic center. They all transformed from being timid and shy to being fully committed to their characters. We hope the same spirit will be passed on to our new S.1 students.

13位中一及中二學生自25年2月展開英語話劇之旅，經過多次排練，終於在西灣河文娛中心登台演出。由最初的羞怯，蛻變為全情投入的表演者，面對數百名觀眾毫不怯場，展現驚人的成長與自信。期望這份熱誠與精神延續至一眾新生，讓更多青春身影在英語舞台上閃耀。

English Guided Tour 校園英語導賞

Students across different forms were involved in the English Guided Tour. They introduced various facilities and some of the famous spots of our school to visiting guests, such as principals from Australia and parents of prospective S.1 students. The tour was well received, and our students were highly appreciated.
